

## 協定校（英語圏）派遣留学選考試験過去問題（2023～2025 年度）

### ●2025年度派遣の出題

Choose one of the three topics below and write a short essay:

- 1) Describe a time when you stepped out of your comfort zone to engage with a culture or community different from your own. How did this experience shape your personal growth and worldview? In your essay, explain how you think your study abroad experience will further develop your understanding of cultural diversity and contribute to your development as a global citizen.
- 2) Explain how studying abroad will help you achieve your academic and career objectives. What specific aspects of the program or location you are applying will help you achieve these goals? Detail how the international experience will impact your future.
- 3) Identify a potential way you plan to contribute to the host community while studying abroad. This could involve academic, social, or service-oriented activities. Discuss how your background, skills, and interests will enable you to make a positive impact, and reflect on how this contribution will enrich your own experience and that of the community you will be joining.

### ●2024年度派遣の出題

Choose one of the three topics below and write a short essay:

- 1) Discuss the value of studying abroad for the understanding of language and culture. Give examples of how experiencing cultures different to your own can support personal growth and academic development.
- 2) Discuss the importance of adaptability, open-mindedness, and cultural sensitivity for effective cross-cultural communication during a study abroad experience.
- 3) What preparations are necessary for a successful study abroad program? Explain your reasons with reference to specific examples.

### ●2023年度派遣の出題

Choose one of the three topics below and write a short essay:

- 1) Other than second-language ability, what would be the most difficult thing for you to adapt to living and studying in a foreign country? Why would it be the most difficult thing? What can you do in Japan to prepare before you leave? Please give specific examples.
- 2) While living and studying abroad you will have the opportunity to teach foreign people about Japanese culture. What thing or things do you want foreign people to understand about Japanese culture? How would you explain them to foreign people? Please give specific examples.
- 3) When and why did you first develop the idea that you wanted to study abroad? What have you done already to make your dream of studying abroad come true? Please give specific examples.
